CONDITIONS

1. All planned gas appliances safety inspections under this agreement will be performed during normal working hours.
 2. When the contractor is inspecting a given piece of equipment, the contractor shall advise the customer if the equipment is found inoperative or in need of repair. The contractor shall provide extended warranty for such equipment, but only with the understanding that the customer shall be responsible for its present or future repair or replacement. Once the equipment is brought up to acceptable industry standards, the full extended warranty agreement shall apply.
 3. Agreement copy provided by the contractor is required at time of service under the extended warranty agreement
 4. The contractor will provide prompt and efficient service, but is expressly agreed that the contractor in no event be liable for damage or loss caused by delay or any loss arising out of the performance of this agreement.
 5. The prices quoted herein do not include any applicable sales and/or taxes. Customer agrees to pay the contractor any present or future taxes or any other government charges now or hereafter imposed by existing or future laws with respect to the transfer, use, ownership or possession of the equipment to which this agreement relates.
 6. The contractor may change the annual premium or conditions effective at any anniversary upon notice to the customer and that this agreement supersedes all previous agreements.
 7. Cancellation by the customer does not commit the contractor to make a refund.
 8. No service will be rendered under this agreement if the customer has a past due account.
